Annual Report 2020-'21

In the backdrop of the covid pandemic all activities during the academic year was shifted to online mode. The IQAC had a meeting on 6/7/2020 in online mode, the challenges thrown up before the institution were deliberated upon and based on the discussions and decisions made activities in tune with the situation faced was formulated.

1. Support for Faculty Improvement

The IQAC identified that the career advancement of several of the faculty needed to be taken forward in the pandemic situation based on consultations made by the members the faculty were provided details of online courses approved by the UGC and these opportunities were utilised by the faculty who enrolled in online FDPs carrying forward their career prospects. The IQAC also diligently carried out the formalities and responsibilities with regard to placement and promotion of the faculty.

2. Student Support

The IQAC initiated the collection of student feedback through faculty advisors on online teaching learning. The various issues identified were informed to the faculty and assistance in rectifying problems of connectivity, internet speed and defective devices could be provided from the college and faculty including financial assistance. Conduct of webinars, online PTA meetings and assemblies as well as club activities were organised based on the inputs from the IQAC, the members of the IQAC were constantly involved in monitoring the progress of these aspects.

3. Maintenance of Covid protocol

The partial opening of the institution especially for conduct of University examinations required ensuring the establishment of proper protocols and constant monitoring of its adherence. The IQAC took the lead by suggesting the setting up of a committee in collaboration with the authorities to formulate a protocol

ensuring control and prevention based on the directives and orders from the government and concerned departments. These guidelines could be put in place effectively ensuring minimal spread of disease, the examination process could be conducted avoiding any out breaks from the institution.
